## Do You Believe in Magic?

You will after you meet this wonderful boy! Magic is a small male Maltese/Bichon mix who weighs about 10 lb. He came to Little Buddies as a stray and is approximately 1 or 2 years old. Magic recently underwent surgery to repair a loose kneecap—he is fully recovered and ready to start his new life!

Magic is housebroken and good with other dogs. He is a very happy and energetic boy who reminds us of "Kramer" from Seinfeld — he always runs and slides into a room!

Magic's adoption fee is \$315 (includes WI sales tax). He is neutered, groomed, vet checked, up to date on vaccinations, heartworm tested, on appropriate heartworm and/or flea/tick prevention, micro-chipped and dewormed. To assist you and Magic in adjusting to life together, you will also receive a 7-8 week age appropriate obedience training course at For Pet's Sake Dog Training ([www.forpetsake.cc](http://www.forpetsake.cc)) at no additional charge!

If you are interested in Magic, or any one of the dogs in our rescue, please fill out a pre-adoption application at [www.bichonrescues.com](http://www.bichonrescues.com) and e-mail the completed form to [BichonAndLittleBuddies@gmail.com](mailto:BichonAndLittleBuddies@gmail.com) or send a signed copy to: For Pet's Sake, 828 Perkins #200, Mukwonago, WI 53149.

DOGS LEAVE  
PAWPRINTS  
ON OUR  
HEARTS.

Bichon and Little Buddies Rescue takes in bichons, shelties and other small dog breeds (mixes, too) that need to find a new home for various reasons. Some dogs are surrendered by their owners, some come to us as unclaimed strays and others arrive from puppy mills.

Our ADOPTION FEES cover most everything your new companion will need to start a healthy, happy new life, including:

- Spaying or neutering
- Complete veterinarian check-up
- Current on vaccinations

- Tested for heartworms
- On appropriate heartworm and/or flea/tick prevention
- Dewormed
- Microchipped
- Other necessary medical care, including treatment for ear infections, mammary lumps, dentals, and other procedures, such as knee surgery.
- Most dogs are recently groomed
- To assist you and your new companion in adjusting to life together, you will also receive a 7-8 week age appropriate obedience training course at For Pet's Sake Dog Training at no additional charge.
